STARRED QUESTIONS

(to which oral answers were given)

Disbursement of pay to the Primary School teachers of the District School Board, Dharwar.

*Q.—3. SRI C. S. HULKOTI (Mundargi).—

Will the Government be pleased to state:—

(*a*) whether it has come to their notice that the pay of Primary School teachers in the District of Dharwar is not being paid regularly by the District School Board every month;

(*b*) whether it is a fact that the amount that is required to be paid to the said Primary School teachers is not released by the Government in lump-sum sufficient to cover the period of six months or one year and kept at the disposal of the District School Board, but it is released every month;

(*c*) since what date the policy of releasing the amount of pay month by month has been adopted by them;

(*d*) whether any representation to revise the said policy has been made to the Government;

(*e*) the steps they have taken to revise the said policy?

*A.—SRI S. R. KANTHI (Minister for Education).—

(*a*) No.

(*b*) Grants are released to the School Boards in three instalments in accordance with the provisions of the Bombay Primary Education Rules, 1949, in this behalf.

(*c*) Does not arise in view of reply to clause (*b*) above.

(*d*) No.

(*e*) Does not arise in view of reply to clause (*d*) above.

SRI C. S. HULKOTI.—As per Bombay Rules, may I know whether the grant is released quarterly or annually or half-yearly?

†SRI S. R. KANTHI.—According to the Bombay Primary Education Rules, half of the grant is to be released not later than 5th of April and one-fourth not later than 1st October and the balance not later than 5th January in the following calendar year.

SRI C. S. HULKOTI.—In 1962-63, when was the amount released?

SRI S. R. KANTHI.—The first instalment was released on 12-4-62 instead of on 5-4-62. There was some delay. On 2nd April 1962, Government made an order limiting the grant to one-third. That is why one-third of the grant was released on 12-4-62; *i.e.*, about 14 lakhs were released.

SRI C. S. HULKOTI.—What is the period of delay?

SRI S. R. KANTHI.—The delay is very little. It ought to have gone to the D.S.B. on 5-4-62; instead of that, it went on 12-4-62. When one-third was released on 12-4-62, there was a representation from the D.S.B. So, as a concession, some amount was released

(SRI S. R. KANTHI)

on 10-8-62. The D.O., dated 2-4-62 was withdrawn by the Government on 15th August 1962 and in August the remaining amount of Rs. 7 lakhs and odd were released. The second instalment was released on 21st September 1962 which ought to have been released in October *i.e.*, it was released well in advance.

SRI C. S. HULKOTI.—Is it that the teachers are not getting their pay every month?

SRI S. R. KANTHI.—No doubt, there was some trouble because of the fact that instead of releasing half the grant, Government released only one-third in April; but they made up the difference by paying the grant in July and August. On account of this and on account of the fact that the D.S.B. had no funds, there was some trouble in payment in April, June and July.

SRI C. S. HULKOTI.—Is it one of the causes that there is no taluka teacher in each taluka?

SRI S. R. KANTHI.—That might be so. I will look into it.

SRI C. S. HULKOTI.—Will some action be taken to see that every month the teachers get their pay?

SRI S. R. KANTHI.—Primarily, the payment to teachers is the responsibility of the D.S.B., but I will look into the whole thing.
